

Osceola Cemetery Reminders

Flowers and Containers:

Flowers and floral decorations are encouraged to be used in permanent vases. No glass containers are allowed. All flowers and non-permanent containers placed on graves for Memorial Day each year shall be removed not later than **June 15th** of each year. All such flowers and non-permanent containers not so removed shall be removed and destroyed by the cemetery Board or his designee.

Planting of shade or ornamental trees, shrubs, or flowers is **NOT** allowed on any individual grave site.

Ornamental Tributes:

April 1st - October 31st, ornamental tributes to your loved one need to be placed on the headstone or cement apron surrounding the gravestone so the care and mowing of the cemetery can operate on a regular basis. Shepherd hooks and solar lights must be placed directly next to the cement apron or be permanently secured to the cement.

November 1st - March 31st no decorations may be placed on the ground surrounding the gravestone.

The Osceola Cemetery shall not be liable for any lost, misplaced, or broken tributes or for any damages caused by the elements, thieves, or vandals.
