

LCRR - Lead Service Line Inventory (LSLI)

In preparation for the revisions to the Lead and Copper Rule, please complete this form based on the information available. Additional copies of this form may be needed to capture all residential service connections. This document will aid the PWS in the LSLI, due in 2024. Please keep these documents until the Drinking Water Division requests this documentation. If you have any questions, please contact your Field Representative or Jessica Johnson 402-471-1009 or Jessica.L.Johnson@Nebraska.gov
