RESIDENT CONTACT INFORMATION UPDATE

As time passes, people will eliminate their home phone numbers, or change their phone numbers, emails, and even their names. It is vital that the City of Osceola can get in contact with residents in the event of a water break or an emergency.

Please update your resident information for us and return the completed form to our office or in the night drop box with your next month's utility bill. You may also fill out this form online by visiting www.osceolane.com/residential-utilities.
